

Become a Team Envision Corporate Partner for Envision Unlimited Summer of Cycling

We're pedaling toward a better world for people with disabilities as we showcase our unique Adaptive Cycling Program.

Over the course of the summer, we are hosting a range of cycling experiences for riders of all abilities, equipment demos, and many ways to participate. It's all in support of creating new experiences for people with disabilities and empowering them to be more mobile, independent and out in their communities. Learn more about our [Summer of Cycling](#).

Our Adaptive Cycling program has grown over the last five years from a few donated tandem bikes for use by our members.* Now, we have a team of over 100 cyclists and volunteers who ride with or alongside them, sharing their passion and knowledge about being on a bike. Our avid riders are supported today by a fleet that has traditional 2-wheel bikes, more tandems, Duet bikes (wheelchair in front of the tandem pilot), a recumbent bike and tricycles.

Sponsorship Opportunities

Kickstand Level - \$5,000
